Profile

Chief of Staff who turns ideas into execution across marketing, ecommerce, ops, and automation. Recently grew Racefiets013 from **12k to 25k sessions YoY**, online revenue from **€2k to €9k**, and built automations saving **+25 hours/week**. *CHECK MY PORTOFOLIO! A NEW AND BETTER WAY TO GET TO KNOW ME!* 

Professional Experience

Growth and Digital Operations Lead

06/2025 – Present | Tilburg, Netherlands

Racefiets013 

- Led end-to-end growth execution across brand, ecommerce, and operations for a second-hand bike retailer averaging **+70 bikes sold monthly**.
- Rebuilt and rebranded the Shopify store, contributing to Dec YoY **growth from 12k to 25k sessions** and increased **online sales from €2k to €9k**.
- Implemented an email capture and newsletter system from **zero to 267 subscribers** in 2 months, with **74% open rate**, and **43% average click rate**.
- Built automation workflows to streamline processes' from sourcing to sale, **saving 25 hours/week** to the team.
- Built the new brand (stealth) and Webflow site from zero to launch-ready, including a bike valuation tool.
- Strengthened trust by increasing Google reviews by **25%**, reaching **565 five-star reviews** during tenure.

Growth and Operations Lead

03/2024 – 01/2025 | Lisbon, Portugal

Umedicu 

- Owned brand, go-to-market planning, and launch execution for a **healthcare app**.
- Secured non-dilutive funding: identified, wrote and **secured 3 EU grant applications totalling €350k**.
- Drove early traction with **100+ downloads in the first week**.
- Led the outsourced product team: reviewed end-to-end user journey and scoped priorities/progress check-ins.
- Built brand foundations (positioning, brand kit, pitch deck).

Co-founder, Operations and Growth

06/2022 – 03/2024 | Cluj, Romania

Nordensa 

- Co-founded the company and built early operating model across partnerships, hiring, and go-to-market execution.
- Supported **€1.6 Million raised** across two pre-seed rounds by building pitch materials and financial model, and contributing to 50+ investor and partner pitches.
- **Closed 11 strategic partnerships**: 4 clubs, 7 player agents.
- Drove player acquisition outcomes: **5 players signed**, +10 trials arranged.
- Helped scale the team from 2 to 30+, supporting recruitment and onboarding for **15 hires** across marketing, sales, scouting, ops, engineering, and legal.
- **Built the company's internal operating system** in Notion, centralizing tracking for players, clubs, agents, brand assets, and team knowledge to reduce information loss and improve handoffs.
- **Led monthly investor and stakeholder reports** covering progress, hires, partnerships, contracts, and product development milestones.
